No. 20581.

Sir,

I have the honor to acknowledge receipt of your No. 10915 (En.I) dated 16th June 1899, and in reply to state that I would wait a little longer before I dispensed with the services of the Superintendent of the Plague Camp or Mrs. Foreguard, as there are not in my opinion sufficient indications as yet to point to a definite termination of Plague in the City, on the other hand there may possibly be a recrudescence.

I have the honor to be,
Sir,
